Game Time: Each game will consist of **two 30 minute halves with a 5 minute halftime** in order to maintain the 1 hour and 30 minute schedule. In the event of a tie, a 5 minute intermission will ensue followed by a 10 minute sudden death period. If a tie remains, teams will break the tie via 5 person 1v1. If still tied, a 5 person 1v1 will follow in a sudden victory format.

Home and Away: The first team listed is designated the HOME team and will wear White/Lighter color and second team listed is VISITOR and will wear the darker uniform.

Pool Play Tie Breaking Procedure for Seeding: With only three teams in each pool, there is the potential for a tie in the standings; i.e. each team ends with a record of 1-1. Teams will break the three-way tie and earn their ranking by the following criteria: **NOTE: at any time if two teams remain in a tie after employing the criteria below, the result of a head to head matchup will determine the higher seed.**

***Criteria #1:** Fewest Goals Scored Against (move to Criteria #2 if and only if all three teams remain tied)

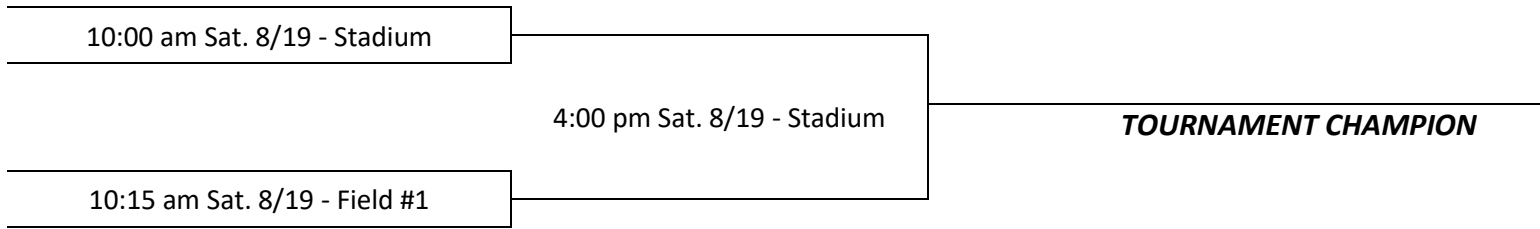

***Criteria #2:** Most Total Goals Scored in the two games

***Criteria #3:** Two person sudden victory stroke-off

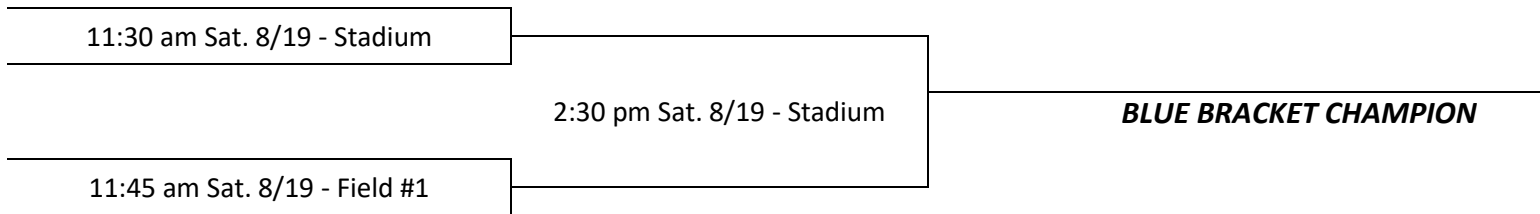

Sportsmanship: In the spirit of sportsmanship, a game differential of more than 7 goals will count as a 7 goal difference for tie breaking criteria. We want to maintain a sportsmanship atmosphere throughout the tournament.
